Name(s) of Applicant	Signature(s) of Applicant

SPECIAL CONDITIONS

- 1. The Applicant must complete the CLC Coronavirus Response ESC Declaration and warrant that, to the best of their knowledge, they have no symptoms and are not infected by the Novel coronavirus (COVID-19).**
- 2. In the event that the permittee tests positive to COVID 19 a permit is invalidated.**
- A permit is only valid for work purposes to enable the permit holder to carry out essential services duties required by employment on behalf of the Community of entry; the permit is not valid for recreational visits.

To minimise the transmission of pandemic disease during a public health threat all Essential Services Contractors (ESC) seeking a permit are required to declare all travel in the past 21 days as well as any current illness.

If any ESC have tested positive to Covid-19, are displaying symptoms or have travelled to a high-risk region within the past 21 days they should cease travel to remote communities and any permit for travel is invalidated.

ESC Illness Declaration

ESC with one or more of the following symptoms may have their travel permit to remote communities invalidated

- Cough
- Fever
- Cough without fever
- Sore throat
- Body aches, muscle or joint pain
- Lethargy

I, _____ hereby declare that:

- I have not travelled overseas in the last 21 days.
- I do not currently have any of the symptoms listed above.
- that in the past 21 days I have travelled to the following regions:

What towns or regions have you visited in the last 21 days? (eg. Alice Springs, Brisbane, Tanami)	Dates visited (eg. 21/03/20 to 24/03/20)

In the event that any symptoms are detected or positive test to CV19 received or you have close contact with a person who has symptoms or a positive test to CV19 no travel to remote communities is to continue and any permit for travel is invalidated.
